A clean PDF scan of clients correct **Birth Certificate** (front and back) and completed **Information for Filing** document emailed to us via securedservicesco@protonmail.com. (For REFUND information, see "Refunds" below.)

d. **Non-Study.** The SPC "Alive And Well" process that is the subject matter of this application is limited to answering questions to the client as it pertains to the Secured Party process, the paperwork we produce for them and the procedures we execute on their behalf with Power of Attorney to attain for them a Secured Party status, following the precise procedures that were successful to us and countless others.

e. **Client Obligations.** Client is obligated to respond to any emails regarding the process, as certain questions or inquiries may be necessary in order to complete the documents or move the process forward. Client is not obligated to respond in a timely manner, but any delay from the client shall not convert the Consultant to a fault for non-timeliness. Client will also need to purchase two (2) \$1 stamps (for the Bonus Live-Life Claim and See Pass which you will prepare). We recommend the \$1 Red Fox stamps that can be found on eBay or Amazon, as they are a little more valuable than \$1. Another option is any other \$1 stamp, but make sure it is light colored and not too busy, as you will be signing over it and applying your thumbprint. CLIENT RETAINS THESE STAMPS. DO NOT MAIL THEM TO US.

f. **Communications.** The priority and first-line of communication regarding follow up through your process is to message us at securedservicesco@protonmail.com. You will need to sign up for a free Protonmail account in order for our messages to be fully encrypted and confidential. Your privacy is our priority. Considering the fact that sensitive personal information will be emailed, we prefer and strongly encourage the use of totally secure and encrypted communications. [If for any reason you cannot get through to us via the proton email address, message us at our website, www.securedservicesco.com.](http://www.securedservicesco.com)

g. **Revisions.** If the Client requests any changes to the prepared documents AFTER they received their trust documents but BEFORE the UCC documents have been filed, an additional flat-rate donation of \$150 will be required to make those changes to all paperwork. Client will be responsible for any changes to their trust documents, which can be handled with meeting minutes.

3. DONATION

a. **Privacy and Confidentiality.** Many clients feel comfortable keeping their relationship with SSC PRIVATE and CONFIDENTIAL. We highly suggest this relationship to be private and not in the permanent records of a federal reserve bank transaction or via real-time monitoring and record-keeping by any corporate agencies or de-facto agencies who wish to monitor our bank records. It is advised to consider a confidential payment option such as crypto-currency or a money order as your privacy is very important to us. We will NOT accept Western Union money.

In no instance shall the Client be entitled to rescind this contract for Services and be entitled to a full refund after the expiration of the Rescission Period. IN NO EVENT SHALL THE TOTAL COLLECTIVE LIABILITY OF THE CONSULTANT, ITS AFFILIATES, AND ANY OF ITS OR THEIR DIRECTORS, OFFICERS, EMPLOYEES, AND AGENTS ARISING OUT OF OR RELATING IN ANY WAY TO THIS LETTER OF ENGAGEMENT OR ITS IMPLEMENTATION EXCEED THE TOTAL AMOUNTS PAID BY CLIENT TO CONSULTANT FOR SERVICES PROVIDED HEREUNDER.

We ask that this wet ink signed original **SPC-ALIVE-AND-WELL Turnkey** Letter of Engagement, the Power of Attorney form and **DONATION** be physically **MAILED** to:

Secured Services Co.
1619 Main Street #1313
Freeland, Washington [near 98249]

Next, we ask that a PDF copy front and back of the **LONG FORM BC** be **EMAILED** to **securedservicesco@protonmail.com** with your Protonmail account. SPC PREPARATION INSTRUCTIONS

BIRTH CERTIFICATE INSTRUCTIONS: We need a LONG FORM Birth Certificate, which usually will be titled "Certificate of Live Birth" at the top. IF it is called an "Abstract of Birth" or a "Birth Record" or a "Certificate of Birth" THEN IT IS NOT THE LONG FORM. How do you know the difference? The document type will be in BOLD CAPITAL LETTERS centered in the middle of the page at the top of the document. It will say one of those variations. **We need the Certificate of Live Birth in most states.** However, there are **a few exceptions: in Texas, Illinois, Connecticut, city of New York, and older State of New York ones, the correct certificates are called a "Certificate of Birth" (confusing we know)**, and they do not put the word "Live" in there. So those are the exceptions. Usually when ordering you ask for the "LONG FORM". **NOTE: The best place to order the long form of your USA Certificate of Live Birth is at www.VitalChek.com.** They often seem unable to determine long form versus short form. If you experience this with them, just order whatever single BC they offer. Ask them if the document has a security feature, and if it does, then you will be mailing the original to us (see "IMPORTANT" BELOW).

If you are born in another territory or other country (other than a U.S. State), we can still make you a private citizen/secured party creditor using your certificate of naturalization (and your BC from the country of origin if you have it). We are currently researching SPC for those in other Crown Corporation Countries.

One you've obtained the "Certificate of Live Birth", scan it into the computer. If possible, please try to save it as a PDF, also *Please* save the file right side up (NOT upside down), and send it to us via email. **IMPORTANT:** If your scan reveals the "VOID" or other security feature showing through on the scan or print-out, we will need the original birth Certificate mailed to us.

IF YOU DO NOT HAVE A SCANNER: If you don't have a scanner, we suggest you consider investing in one (you can buy one from Wal Mart, Costco, Office Max, or Staples, or online (Amazon, eBay, etc).

For the free/bonus Live-Life Claim & See Pass at the end of your process):

Visit a Post Office and get a Registered Mail Receipt and a Registered Mail Sticker with a unique Registered mail number (red/white with black print). Some post offices will not give you the Registered Mail sticker, so just go to other post offices. When you go to the postal clerk, just tell them you are about to mail a Registered mail package and need a Registered Sticker in advance because you need to put the Registered Mail number on the document that will be inside the envelope. You can do this anytime after sending us your signed Agreement and other notarized documents.

IF YOU HAVE DONE ANY PREVIOUS UCC FILINGS: Please send them to us, or send us the UCC Filings Numbers and STATE it was filed in. Most people's UCC filings are done wrong and will need to be terminated and/or updated to be comprehensive and correct.

HOW WE WILL COMMUNICATE When you are fully signed up, you agree to give the Consultants the SPACE and TIME to pay attention to your request carefully and to take up to 3 business days to respond, as they may be dealing with other clients. If Consultant feels it is necessary to have a conversation on the phone with you, he will email you a number to call via Proton mail.

HOW LONG WILL IT TAKE TO COMPLETE MY FILINGS? Most filings can be completed within 3-4 weeks of us having confirmed all your information, populated your data sheets, and confirmed your birth certificate and other input data, though this could be extended a little based on how many clients we are working with at any given time, and it could also be quicker depending on your UCC filing state.

Please allow us ample time to input your data and prepare your documents. We meticulously review every single page of your documents. Please be patient and conscious of the fact that there are 20 separate documents being prepared, signed, notarized and scanned again for you (over 80 pages total).

As for Computers to use, we strongly suggest to AVOID using Windows 8 or Windows 10. Windows 10 admits that they save and transmit records of every computer file and keystroke, and send this to Microsoft and the N.S.A./CIA mass surveillance data collection. Windows 7 is the last known model before Microsoft partnered with the NSA/CIA to eavesdrop on every conversation in your living room and every keystroke you type. So, if you don't want your conversations recorded through your computer, you Must Downgrade back to Windows 7. Use a search engine to find out how to do this.
